

Duo-Cap

Medium Efficiency Extended Surface Cartridge Filters

- MERV 8 performance rating (ASHRAE Test Standard 52.2-2007)
- Superior dust holding capacity
- Extended filter lifecycles
- Low initial pressure drop

Duo-Cube Series

Extended Surface Synthetic Media Air Filters

- **Koch Duo-Cube** filters are medium efficiency, extended surface filters
- Constructed of 100% synthetic fibers to meet the requirements found in various air handling systems
- Duo-Cubes are offered in four media types: 1 Ply, 2 Ply, 3 Ply and 4 Ply
- All four are engineered to provide an excellent combination of efficiency and extended filter life cycles
- Available in **Standard style** (without an internal wire frame, for use in existing cube-type baskets without modification to equipment) and in **Self-Seal style** (with an internal wire frame designed to fit standard holding frames without clips or fasteners, and eliminate air bypass)

Duo-Pak 40

Extended Surface Self-Seal Two Pocket Filter

2 Ply Configuration

- Depth-loading characteristics of 550 media offers high dust holding capacity and efficiency
- Progressive density design of the 550 media is enhanced with a specially formulated tackifier to prevent particle migration and provide exceptional efficiency above five microns

1 Ply Configuration

- Utilizes a tackified single density polyester media, offering an economical alternative for applications where high dust holding capacity in a primary filter is required
- Self-sealing feature prevents air bypass and eliminates the need for clips; saving time and money during change-outs

Multi-45

Filter Cartridges for Conoflo™, Cono-45™, Conopac-45™

- MERV 10 efficiency
- Superior dust holding capacity
- Collapsible design means reduced shipping and storage costs
- Fits existing wire-basket framework without modification

Multi-Test Cartridge

Original Equipment Replacement Cartridge

- **Multi-Test Filters** are collapsible replacement cartridges
- Available in four nominal efficiency ranges: 20-30%, 45-55%, and 80-90%

Multi-Test Rigid

Extended Surface Replacement Filter

- Extended surface replacement filter for Farr HP
